VOLUME/CUSHION INDICATOR

#1 STYLE IN RUNNING

DRY*namix*® Proprietary Drynamix
Moisture Management yarn

Made from US yarn

- Hand linked toe seam reduces friction and exposure to blisters.
- Full mesh panel for extra ventilation.
- 30% more fabric knitted into an extra deep heel pocket ensures the sock will not slip down.
- 200 needle count fabric. Dense cushioning provides ultimate protection without bulking up in your shoe or collapsing during rigorous workouts.
- Sensitive knit construction ensures your sock top will be super comfortable and leave no pressure marks.
- High heel tab lines the inside of your shoe for extra comfort.
