- Extra deep heel pocket
- Protective cushioning
- Sensitive comfort sock top
- V Tech arch support band

## VOLUME/CUSHION INDICATOR

DRY*namix*® Proprietary Drynamix  
Moisture Management yarn

Made from US yarn

- Short rib top in sensitive mesh to prevent tan lines and pressure marks.
- Hand linked toe seam reduces friction and exposure to blisters.
- 30% more fabric knitted into an extra deep heel pocket ensures the sock will not slip down.
- Protective cushioning provides ultimate protection without bulking up in your shoe.
- Sensitive knit construction ensures your sock top will be super comfortable and leave no pressure marks.
- Non-constricting elastic arch support bands maintain a comfortable fit allowing natural foot movement and enhanced blood circulation, providing all day comfort.
