WASHING INSTRUCTIONS

- Wash warm, tumble dry low.
- Do not use bleach or fabric softener.
- Do not iron.
- Do not dry clean.

- Full mesh panel for extra ventilation.
- Unique triple Y- heel construction creates a deep heel pocket for ultimate fit.
- Knitted with an extra fine Drynamix moisture management yarn, combined with microfiber nylon for tencile strength and durability, you will go far to find a lighter sock that fits like a second skin.
- Unique cushion heel and toe added to a super thin sock construction for the ultimate in comfort.
- Unique positioning of varying elastic bands maintaining a supportive fit, allowing natural foot movement and proper blood circulation. Three distinct elasticated zones: arch support band, diagonal high arch & ankle band wrap.
- Non-constricting arch support band for all day comfort.
